HELION
SOFTWARE INC

ENLIGHTENED SOLUTIONS FOR LOCAL GOVERNMENT

Animal Control

Helion Software's Animal Control System provides an **easy and powerful** solution for animal licensing and management.

FEATURES

▷ License animals of any type
▷ Tracks history on animals, owners and licenses
▷ Powerful and **flexible searching**
▷ Reporting, including renewal notices
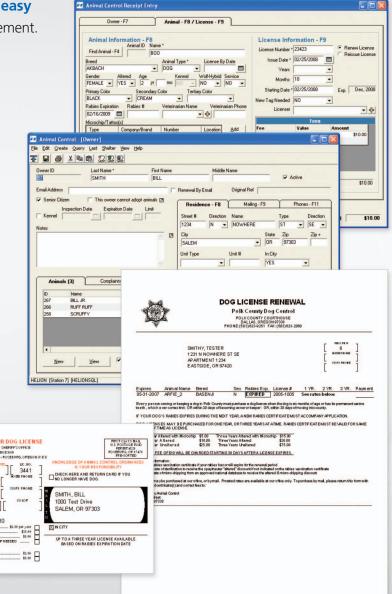

DATA POINTS

▷ Animals   ▷ Complaints   ▷ Lost and Found
▷ Owners   ▷ Citations   ▷ Animal Shelter
▷ Licenses

RECEIPTS INTEGRATION

Built in integration with Helion Software's Receipting Package enables you to leverage the full power of Receipting while handling financial transactions for Animal Control. Easily license **multiple animals quickly** on a single receipt.

OWNERS AND ANIMALS

Track detailed information about owners and animals. Animal Control allows storing of mailing address, street address, an unlimited number of phone numbers, and much more.
